APRIL 2019

NOTES FROM THE PRESIDENT OF THE HOA BOARD

Many will be heading north in the next few weeks to enjoy summer in cooler climates. To those who will be traveling and to those who remain in Florida, may you all experience the very best of summers.

A reminder to residents departing, please remember to pack away any outdoor items, protecting them and homes from sustaining damage during high winds, when the items become missile-like objects. In addition, residents are asked to provide a card to Randy Weyant or Bob Van Heyningen with information on who has a key to your home. This allows someone to check on the interior of the home for any storm damage, if necessary or desired. It is also advisable to fill out a form from the Winter Haven Police Department requesting courtesy security patrols while you are away. The form can be found on the Lake 'n Golf website.

Finally, there will be a board meeting on April 4th in the Clubhouse. This meeting was not planned, but a visit with the HOA attorney surfaced a few items that need to be addressed.

Ed Fouch, President

COVENANTS CORNER

First, we would like to thank you all for stepping up to do some maintenance, cleaning and/or painting of your homes. It has really improved the looks of Lake 'n Golf Estates.

If you are leaving for a short period of time or until next season, we ask that you please put your name, address, and the name of the person who has a key to your home on a 3x5 card and give it to either a board member, Steve or Bob.

Remember that your Post Light **Must be On** every night all year around. If you think your light may burn out before you get back, you may want to leave an extra one with a neighbor.

Bob Van Heyningen and Steve Mills**

I've put several 500 & 1000-piece puzzles in the Christian bookcase shelves. They are down lower so are easier to reach. Folks who will be heading north, please return any books that you have read to the library so others can enjoy them during the summer.
