## LAKE 'N GOLF ESTATES

### FEBRUARY 2024

#### HOA PRESIDENTS NOTES:

I had to miss the Annual Meeting in January because I was home with a really bad cold. I was later informed that I had been reelected to the Lake n' Golf Board and that the Board had elected me President. That will teach me not to miss a meeting. In reality it is a privilege to serve our wonderful community in this capacity and I am looking forward to the future and will do my best to honor the trust given to me.

A little about Marilyn and me. We met in 11th grade English class and this October will be married 56 years. We grew up in Waterford Township, Michigan, a suburb north of Detroit. I worked for Michigan Bell Telephone Co. for 5 years as a Communications Consultant before answering the call to ministry in 1973. Marilyn has worked as a secretary for General Motors and also our local Health Department. Most recently she was a licensed real estate agent. Marilyn and I served 3 churches as Lead Pastor, 2 as associate pastor and 21 years as District Superintendent in Michigan for the Church of the Nazarene. I fully retired in November of 2022 and we have been enjoying the slower pace of life. We have two daughters and 4 grandchildren (we'd be happy to show you their pictures)

We acquired our Lake n' Golf home in 2016 from Marilyn's parents, Bert and Marge Servoss. They had lived in the community since the 1980s owning first on Princeton St. (Jim Fagner's house) and later our house on Westchester Dr.

Please feel free to contact me or any of the Board members if you have questions or concerns. Our next Board Meeting is Thursday, February 7th at 9AM in the Clubhouse. The board members' names and email addresses are listed in this newsletter.

January was a very busy month, with a lot of activities. The street dinner was well attended, and our pancake breakfast was a big success. We had over 100 people at our "Bandstand Pizza Party!" It's nice to see such great attendance.

We also had elections in January, Connie Dykes, Jeanette Jones, Laurel Kudla were added to the board. The officers remained the same:

Joyce Schrenker, president  
Carol Long vice president  
Annette Collier, secretary  
Lu Ann Hurley treasurer.

We want to thank Pam Schwanda and Jim Fagner for all their hard work and dedication.

The pictures for the photo directory are well under way. Thank you to all who participated.  
A big thank you to everyone who helped.

Once again for the new members of our community, and anyone who is not aware, we have coffee and donuts every Tuesday at 8:30am. Come meet your neighbors and find out what is going on. Bring your cup and enjoy a donut for \$1.

## WILD-ly Focused

We had a rare visitor in our community this past month, this handsome wood stork. We've had them visit before, but not very often. This friend was oddly traveling alone. Usually, wood storks travel in flocks and live in colonies.

Other than being a little odd looking, they are quite a fascinating bird. They are a large wading bird that hunts for fish or other fresh water treats by placing their bill open in the water, setting a trap.

Sometimes, they slowly use their feet to stir up the bottom. Then they wait. When they sense something by their bill, they "SNAP" it shut!

They have the fastest reflex in all the animal kingdom. They can snap their beak shut in a fraction of the time it takes a human to blink an eye!

When wood stork chicks are hatched, they actually have a fuzzy, feathery head. As they mature, they lose that and get that unique bald head. Bald is beautiful, right? They also can be very loud in the nest, needing to be fed up to 17 times a day! However, adult wood storks are basically mute. They communicate with hissing, grunting, and snapping of the beak. These young chicks will progressively lose their voice as they age their first year.

Lastly, adult wood storks will bring water into the nest and regurgitate it over the chicks to give them a shower while they preen and to keep them cool in the heat of the day. Not exactly a water park, huh?

To see more wood storks around the area, go visit Circle B Bar Reserve, Lake Martin, or Lake Hollingsworth in Lakeland. Plus, to learn more about Florida birds, follow my page on Facebook!

Our annual flea market will be on February 9 & 10 from 8 A.M. to 2 P.M. The signup sheets are on the board in the clubhouse. We will need a lot of help with this so if you are able to help either day please sign up to help us. We will also need help on Tuesday, Wednesday, and Thursday to set it up so please let me know if you can help any of those days. If you have any items to donate for the flea market, please call me at: 607 760-1907. Thank You.

## Monthly Calendar

A calendar of events can be found in the clubhouse hanging by the hallway entrance. Bingo, Euchre, Nickle Bingo and the rest will be posted on that calendar with correct times. People in charge of those events should update the calendar monthly. Not everyone is on Facebook, so I hope this works better for the community.

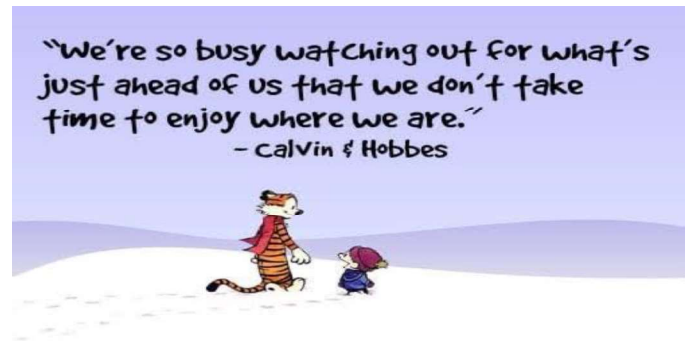

## Lake Region's Show

The show this month is a tribute to CCR (Creedence Clearwater Revival) on February 20 at 7:30 pm. Tickets are \$15 per person and will be sold at Tuesday's coffee for the next few weeks.

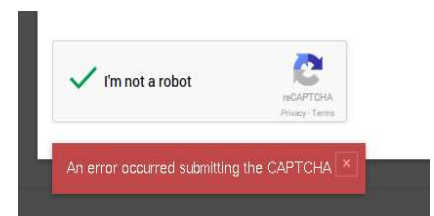

The next street dinner will be hosted by Westchester and Princeton on February 24. More information will be coming so save the date.
