### A NOTE FROM THE PRESIDENT OF THE HOA BOARD

LET  
IT  
SNOW

It's winter in Northern Michigan and it's cold. White frozen water known as snow covers the ground. The roads have become long narrow skating rinks. My windshield is never clean, because the windshield squirter are frozen. The car's backup camera is worthless, because it's covered with ice. The floor mats are a disaster. Driving at night requires the ability to avoid deer and other multiple forms of wildlife. Brushing off the snow and deicing the windshield are necessary steps prior to departure. Gas mileage does not exist because most of the time the car is warming up in the driveway going nowhere.

Inside, the wood burning stove is operating 24/7. Outside, walking on ice becomes a necessary skill for survival. The snow shovel has become my best friend. I usually shovel our driveway just in time for the plow to fly by and fill it back up. Walking to the mail box requires dressing for the occasion. Two cars take up four spaces in the mall, because the lines are invisible. Pushing a shopping cart through the slush and ice takes both strength and skill. Going outside requires deep thought and a **very good** reason. Taking a walk means going from the TV to the kitchen and back. We leave for Florida in a few days. I can't wait.

Ed Fouch, President

The annual Christmas party was a big success. The residents truly appreciated the gifts, pizza and sodas. Thank you for your generous contributions and Ladies & Gents for your sponsorship. Thank you to Rossanne Gorsky and Joan Burke for their assistance at the party and Charlie and Lurea Benedict for picking up the pizza and serving. Special thanks to Barbara Grinslade for wrapping presents and Bev Elekes and Jack Garrison for assistance with fruit. The administrator, Brandi Lamb said "I can not thank you enough for everything you have done. Our residents had a lovely time. I loved seeing the smiles you put on their faces." I am looking forward to make it happen again next year.

Dale Moore

Gotta love the irony of a generation raised on making prank phone calls only to be terrorized by daily robo-calls now.

## CAUTION

Although the speed limit on our streets is 20 MPH, as set by the city of Winter Haven, we are asking for you to use caution and a slower speed in your car and on your cart. We have many walkers and bikers who use head phones or do not use their hearing aids :) as they walk or bike. We are not as quick as we used to be in jumping out of the way. Thank you for watching out for our residents and guests.
